REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: After a review of the prior art of record it is believed that the present invention is new and non-obvious wherein no reference discloses a metal hose having a helical groove and a plurality of turns, a plastic hose surrounding the metal hose, conforming to the helical groove, a plastic inner hose received within the metal hose and having a projecting length portion extending beyond the end of the metal hose and a plastic coupling part surrounding the metal hose and including a cylindrical collar surrounding the projecting length portion and having a material to material bond therewith and an overlapping portion adjoining the cylindrical collar and extending away therefrom, the overlapping portion surrounding the jacket and extending into the helical groove, with the overlapping portion and the plastic jacket having a material to material bond with one another.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to **Patrick F. Brinson** whose telephone number is (571) 272-4897. The examiner can normally be reached on M-F 7:30-3:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, **Michael Y. Mar** can be reached on (571) 272-4906. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
